Establishment--Temporary--West Coast Circle--Grow More Food Sub-Division--Mangalore Staff--Continued.

O.F. 82 ( ) 70,10,558—20-1-54

Public Works Department	Received Registered
From (Name) Sri U.Ananda Rao, B.E., M.I.E.(Ind) M.Am.Soc.C.E., I.S.E., Designation Chief Engineer for Irrigation, Station Chepauk, Madras-5.	To The Secretary to Government, Public Works Department, Fort St.George, Madras.

Enclosures:

No. 478/56-B-3, dated 20-2- 1956.

Sir,

ADDITIONAL C.E. VERIFIED PUBLIC WORKS DEPARTMENT 1367

Sub: Establishment - Public Works Department - Temporary - West Coast Circle - South Kanara Division - Grow More Food Sub-Division, Mangalore - Continuance of - Proposals.

Ref: G.O.Ms.No. 4606 Public Works dated 8-12-1955.

In the G.O. cited, the Government sanctioned the continuance of the Grow More Food Sub-Division, Mangalore with the following staff, till 29-2-1956.

One Assistant Engineer.
Five Supervisors.
One Upper Division Clerk.
One Lower Division Clerk.
Seven Peons.

The Superintending Engineer, West Coast Circle has now reported that the further continuance of this special Sub-Division, for a period of one year from 1-3-1956, is quite necessary, as the various irrigation schemes taken up for investigation as well as execution in the South Kanara District have to be completed. A copy of Executive Engineer's (South Kanara Division) letter No. 384 SE dated 15-2-56, received in this connection is enclosed for the information of the Government. Out of the seven supervisors mentioned in the Executive Engineer's letter, the continuance of the two supervisors engaged on the maintenance of the completed irrigation works in Palimar and Kasargod sections, has separately been applied for in the propositions statements sent to the Government by the Chief Engineer (General) for the continuance of the temporary establishments in the West Coast Circle, during the year 1956-57. I agree with the Superintending Engineer that in the view of the reasons explained in the Executive Engineer's

letter, the continuance of this special sub-division is quite necessary and request that sanction of the Government to the continuance of the staff detailed above for a period of one year beyond 29-2-56 may be obtained and communicated to me at an early date.

2. The proposals for the continuance of the staff could not be submitted to the Government, sufficiently in advance, in the absence of full details from the Superintending Engineer who has included them in the proposition statements, without giving details justifying the need for the continuance. They had to be therefore called for from the Superintending Engineer before submitting proposal for the continuance to the Government.

As it is unlikely that Government will pass orders before 29-2-56 by which date the existing sanction expires, I am asking the Superintending Engineer to continue the staff beyond 29-2-56 in anticipation of sanction and request that my action may be approved.

for Chief Engineer for Irrigation.

Enc: Copy of E.E.'s letter.
p.p/20-2-56.

Copy of letter No.384 SE dated 15-2-56 of the Executive Engineer, South Kanara Division addressed to the Superintending Engineer, West Coast Circle, Coimbatore.

Sub:-Establishment - Temporary - Public Works Department, West Coast Circle - South Kanara Division - Grow More Food sub division, M Mangalore - continuance of -

Ref:-Your No.206 I dated 10-12-55; 3116 dated 4-2-56 and 308 C dated 4-2-56.

With reference to the above, I submit herewith a detailed report for the continuance of the following staff during 1956-57, attached to G.M.F.Sub division, Mangalore.

Details of staff.	Nos.	Date upto which sanction is required during 56-57.
1. G.M.F.Sub division, Mangalore.		
1. Assistant Engineer	1	28-2-1957.
2. Supervisors	7	28-2-1957.
3. Lower division clerk	1	28-2-1957.
4. Upper division clerk.	1	28-2-1957.
5. Peons	9	28-2-1957.

1. Assistant Engineer (1 No.) The continuance of sanction of one Assistant Engineer till 28-2-1957 is absolutely necessary for the supervision and execution of various schemes as distributed below among the various section officers.

2. Supervisors: 7 Nos. The work among these 7 supervisors distributed as follows:-

1. Palimar Section(one Supervisor): This supervisor is in charge of maintenance of Pavanje and Palimar anicuts. The execution of few cow cross masonry works pertaining to Palimar anicut has not been compl.ted and this has to be executed early. These works are also to be executed so as to function the Palimar anicut effectively.

2. Kasaragod Section: (one Supervisor). The Supervisor is mainly in charge of maintenance of shiriya and Ramanchira Anicuts and the execution of Tuchana Anicut at an estimated cost of Rs.23,300/-. In addition to this, he has been entrusted with the work of investigationpf some of the minor schemes situated in Kasaragod Taluk. Hence the continuance of this Supervisor till 28-2-1957 is quite necessary for attending the above works.

3. Sullia Section (one Supervisor):- This Supervisor is mainly in charge of the execution of a major work viz.,constructing an anicut across Kandadka River - estimate Rs.27000/-. As this work is included in S.M.I.P.Scheme, prompt attention has to be bestowed for the speedy execution. In addition to this work, he has been entrusted with the investigation of some minor schemes situated in Puttur Taluk. Hence the sanction of the continuance of this Supervisor till 28-2-1957 is quite necessary.

4 and 5: Bombrana Section (2 Supervisors):-

The work of constructing an anicut across Bombrana river costing Rs.5 lakhs has been sanctioned and is in progress. As this is a major scheme included in the S.M.I.P.Schemes, the work should be pushed through and hence two Supervisors for a period upto 28-2-1957 are necessary for the speedy execution of the work.

6 and 7:- Investigation sections: (2 Supervisors):-

The detailed investigation in respect of the following schemes are to be taken up and plans and estimates are to be prepared after the field work is completed:-

1) Construction of dam at Muggar.
2) Nalilakandam Reservoir Scheme.

3) Nambiarkal dam at Pudukkari.
4) A dam across Stream at Udma.
5) Construction of a puttur Stream in Ajanoor village.
6) Putting up of a dam across Archa River.
7) Forming a branch channel at Angadimogru.
8) Construction of dam across the tank in S.No.152-1-2 of Idya village, etc.
9) Construction of a dam across Chettair river at Mukkund.
10) Deepening of Oravankulam in Puthilot.

4. In addition to the above, the following estimates are to be revised as per the instructions of the Superintending Engineer.

1) Excavating a channel on either side of Nileshwar river in Kasaragod Taluk: Rs.69,196/-

2) Mundam Kandam Schemes in Tricarapur village of Kasaragod Taluk Estimate Rs.18,712/- . . . .

3) Kaikot kadavu scheme in Tricarapur village of Kasaragod Taluk Rs.3,64,999/-

4) Mogral puttur anicut - Rs.60,000/-

Also several new proposals are put forward for preliminary investigation through the Chief Engineer and the Revenue Department.

For attending the above works, two supervisors are quite necessary till 28-2-1957.

For attending the routine work involved in connection one Sub-division with the following staff is also required till 28-2-1957.

Upper Division Clerk	1.
Lower Division Clerk	1.
Peons	9. (2 for Sub-division and 7 for Supervisors)

Hence, I request that the sanction of the Government may please be obtained for the continuance of the staff during 1956-57 till 28-2-1957.

Sd.A.R.Srinivasan,15-2-56.
